

Earn a FREE quip®
Electric Smart
Toothbrush and APP
for your
smartphone!

**We're on a mission
to teach, equip, and
encourage every
kid in Minnesota to
own their smile!**

WHY: More than 5 out every 10 young people in schools across the country find it nearly impossible to access dental care. **That means:** NO Cleanings; NO fillings; NO extractions even for a potentially deadly abscess.

What You'll Do:

1. Learn proper brushing techniques from a DDS and Licensed Dental Hygienist.
2. Teach Students what you learned. DDS and LDH will be present to assist you!
3. One-to-one while brushing & helping others to learn!
4. FREE "I Own My Smile™" T-Shirt

Your Investment

1. 2.5 hours at Coon Rapids High School in April & May (*several choices of date(s) and times available*).
2. Volunteers may help 2 or more times but once is a great gift!
3. Send an email with your full name, email, and best phone number & "I want to help!"
Volunteer@AdoptedSmiles.org
4. You'll then receive a link to our volunteer signup site in early April.

Let's team up & help students make change happen!

WHY quip®? The quip® APP for Android and Apple is a great tool purposefully designed to teach, re-inforce and reward habits necessary for a lifetime of great oral healthcare techniques and disciplines to affect oral and over-all health.

Brushing Properly

Adopted Smiles at Coon Rapids High School
